Was so sorry to find out today that Mrs. Beardsley passed away last December. She was my 6th grade teacher at Northside E.S. In Fairport NY back in the early 1970's and she was dearly loved by all her students. She was a mother figure to us all and influenced my life as an adult in many positive ways. I'm just sorry I never was able to tell her that personally. She will be greatly missed by all and today's world needs more teachers like Mrs. Beardsley. Rest in peace kind woman. ♥

Joanne and I were neighbors in Morrisonville from childhood through elementary school. We reconnected twenty years ago and renewed a now long distance friendship. We shared memories, interests, and values, including a love of cats. I miss her greatly and will always do so.
